Subject: draft exit strategy for Midway Landfill

Bev - FYI - Eric said you were tracking these.

Thanks.

Subject: draft exit strategy for Midway Landfill

Ted and Dave - Attached is my draft exit strategy for Midway Landfill. Dave - I've nominated you to be my Unit Manager for this document/task because you are already involved in the long term site management group.

Please let me know if you have any questions or comments. (Yes, I know it is long - longer than any such a simple site should need, but)

Thanks.
